### Student Sport Stars

On the last day of Term 3 we had a group of students competing at Sydney West Athletics Carnival, representing both our school and Castle Hill Zone. We are proud of all of these students for their commitment and very best efforts. A big congratulations to Beau, Ethan and Zoe who placed either first or second in events and have now competed at NSW State Athletics Carnival.

### Tell Them From Me – Survey closes Friday 4 November

This Term, our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, iPads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted over early Term 4. Although participating in the survey is entirely voluntary, your responses are very much appreciated. More information about the survey is available at: [education.nsw.gov.au/ttfm](http://education.nsw.gov.au/ttfm). To access the survey for our school go to: <http://nsw.tellthemfromme.com/bhps2022>

The survey is available in 23 languages.

## Term Events

Please be advised that the last day of the school year for students is Friday 16 December. This has changed from Monday 19 December as this day has now been allocated as a School Development Day for teacher professional learning and planning for 2023.

Term 4 is very busy so please keep an eye on the calendar and read communication carefully.

## Attendance Matters

We want to do all we can to ensure your child achieves their potential and enjoys being in school. One way we can help make this happen is to be sure your child attends school each day unless they are sick, have [symptoms](#) or are absent for a justified reason.

Protecting the wellbeing of our students through the reporting and monitoring of student absences is the responsibility of both parents/carers and schools. Notifying the school either before or on the day that your child is away helps us keep accurate student attendance records to support you and your child.

We know that school is the best place to learn and regular attendance means students can stay on top of their schoolwork and get the most out of their learning. If you are having trouble getting your child to school every day or on time, please talk to our school staff so we can work together, because every day counts.

Missing a day here or there may not seem like much but absences add up and can impact your child's learning more than you think. When your child misses one day a week over a year, that's 40 days of school, 8 weeks of lessons and 2.5 years over their school life lost. As your child's education has already been interrupted through periods of learning from home due to COVID-19 over the last 2 and a half years, now is the time to prioritise face-to-face learning and making the most of every school day.

# Principal Report

Our school strives for the expected attendance rate which is above 95% of students at school each day over the year.

If your child is unwell they will need to stay home, get tested for COVID-19 if they are experiencing symptoms and only return to school when [symptom](#) free.

## Salvos Generosity Challenge Christmas 2022

Beaumont Hills PS will participate in the Salvos Generosity Challenge this year. We will collect hamper items for those families in need to help give them a brighter Christmas. Below is a list of items we will collect on behalf of the Salvos. Please ensure the goods you donate have a long use by date.

# Deputy Principal Report

On Thursday 17 November all students will attend the hall to watch a live performance.

This exciting live performance shows students how to **regulate their emotions** and **connect** with people in a positive way. It explores strategies for the **safe use of technology**, dealing with **bullying** and getting the right balance between **screen time, sleep, exercise** and **face-to-face communication**.

"There is pandemonium on Planet Arkon when two robots, Lil and Zig, are zapped to earth and into the lives of two siblings, Bella and Archie. Bella is **being bullied** by the girls in her friendship group. With **no sleep** and **too much screen time**, Archie finds it hard to **connect** with other children. He is **lonely** and **confused**.

Bella learns to be **assertive**, and to **'report', 'log off'** and **talk to her parents** when her online interactions become negative and nasty. To restore the balance, Archie must control his impulses, listen and use empathy so Lil and Zig can return to Arkon".

Saving Lil & Archie is designed to **complement your school's existing wellbeing programs** and **facilitate further learning in the classroom**. Brainstorm Productions is **endorsed by the eSafety Commissioner** as a Trusted eSafety Provider.

There is no cost for this event.

## 'A Goldilocks Mystery'

The original production of 'A Goldilocks Mystery' is only 4 weeks away! (November 24)

Mrs Stennett and Mrs White have been hard at work perfecting routines and our classroom teachers have been busy rehearsing with their classes to ensure yet another brilliant whole school production. It is certainly no easy feat! If your child is not able to attend please ensure you complete the attached note asap so alternate students can learn lines, placements and prepare costumes in time for the performance.

Tickets are available on Flexischools for \$15ea. BHPS students do not require a ticket and children under school age are free. We encourage you to invite extended family and friends to enjoy this wonderful event with you. Market stalls and food trucks will be available under the COLA, in the hall and on the basketball court for families to peruse between 4:30pm and 6:30pm whilst students prepare in holding classrooms with their teacher. The production commences at 6:30pm on an industrial entertainment performance truck on the school oval.

Be sure to bring a picnic rug or folding chairs. **Positive vibes for amazing DRY weather are greatly appreciated!!!**

If you have any questions please do not hesitate to contact the school.

We look forward to sharing the culmination of our creative and performing arts learning with you all on November 24. Exciting times ahead!

*Mrs Adams*  
*Deputy Principal*

## SRE 2023 - Ethics

This year at BHPS we have been lucky enough to offer Ethics to our current Year 4 students. Unfortunately for this group of year 4 students, Ethics will not continue in 2023 and they will be placed in Non-Scripture groups for 2023, unless the school is advised otherwise.

In 2023 Ethics will be offered to Year 4 students (our current Year 3 students) only. Depending on numbers, this may be opened up to students in Year 3 in 2023.

If you are interested in enrolling your child in Year 4 Ethics for 2023, the expression of interest form in the newsletter needs to be completed and returned or emailed to the office.

If you are interested in training to become a volunteer to teach Ethics - please see the flyer in the newsletter or contact Dana Sampath [dana.sampath@primaryethics.com.au](mailto:dana.sampath@primaryethics.com.au) or [PrimaryEthics.com.au](http://PrimaryEthics.com.au) for more information. We can only offer Ethics at our school through the generosity of volunteers.

## Islamic SRE

This year we farewelled Ms El-Gashini from teaching our Islamic Scripture classes. She is very much missed, and we are thankful for the time she gave volunteering to teach Islamic Special Religious Education to our K-6 students.

We have been working with Islamic Special Religious Council (ISRE) to source another teacher for 2023 but have been unable to do so.

SRE only operates through the generosity of volunteers. If you are interested in finding out more information about becoming an Islamic SRE educator, please see the attached flyers or please email [info@isre.org.au](mailto:info@isre.org.au) for more information.

If we are unable to provide a teacher for this group, all students will be placed in a non-scripture group in 2023 unless the school is notified otherwise.

# Beaumont Bites - Canteen News

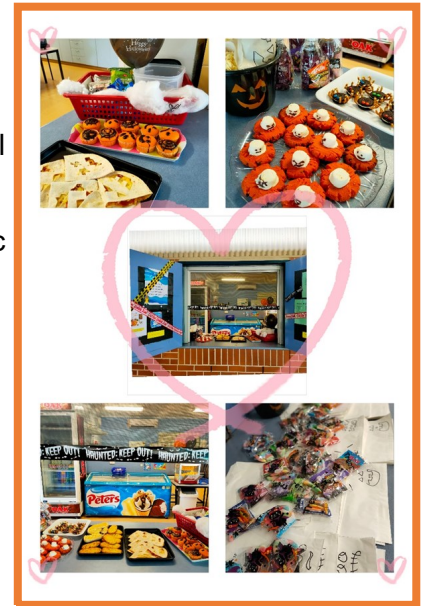

Hope everyone is having a fantastic term so far!!!

## Trick or Treat

This Halloween we had great fun at the canteen with all the special treats we made for students to enjoy.

Ghost Cookies, Oreo Spiders, Scary Muffins, Mummy Cheese Garlic Bread, Ghost Face Taco, etc.

Thank you to all families for the support.

## No Sharing of Money

Sharing is caring. But in the school grounds we strongly enforce that money is not to be shared. We will do our best to watch from our end. Please enforce this with your child.

**\*\*To minimize the money sharing issue, we suggest parents only give your child/children \$5 Note MAXIMUM. \*\***

We continue to practice good hygiene in the canteen and provide healthy snacks and meals. If there are any questions or feedback, feel free to let us know.
