Principal Report

Goldilocks – A Mystery

Thank you to the entire school community for contributing to the success of our end of year performance, Goldilocks – A Mystery. The evening was a huge success, from the student performances, band entertainment, food trucks, market stalls and family participation. Thankfully the weather was kind, and the entertainment went ahead as planned. The show was the dream of Mrs Stennett and Mrs White, our teachers who take every class for music, dance and drama. Mrs Adams worked hard to help pull it all together. All staff contributed in making the evening a success. I am very grateful to work with such a generous and committed group of teachers and support staff, and also very grateful to have community which supports our school so well.

BEAU Awards

Congratulations to the recent recipients of Bronze, Silver and Gold BEAU awardees.

Principal Report

Presentation Day

Congratulations to all our award recipients on Presentation Day.

2022 has been a very good year at BHPS and today we had the opportunity to reflect upon the outstanding achievements that our students have experienced. This year, we were really able to return to 'business as usual' in many ways, with an absolute focus on teaching, learning and wellbeing.

We had a high level of representation in sport at zone and regional level. This year, we had students represent BHPS at state level in cross country and athletics. Our PSSA teams represented us on a weekly basis, demonstrating skill, sportsmanship and teamwork. Our Senior A and Junior C netball teams and our senior girls and junior boys touch football teams were successful in winning their competitions. We are awaiting the results for girls T ball and boys softball who are close to taking out their competitions as well.

This year we extended our student leadership program, with explicit leadership training for our Year 5 and 6 students, and all students in Year 6 having the opportunity to hold a leadership position and offer BHPS their initiatives. Our peer support program complemented this as our students participated in student led wellbeing programs. Year 6 leaders, in combination with our SRC have coordinated lunchtime activities, recycling collections and gardening just to name a few activities.

A safe learning environment is essential for our students to achieve the success that they deserve. I would like to thank the leaders, teachers and support staff at BHPS for making sure every child is known, valued and cared for. Thank you to our wonderful classroom teachers who work tirelessly caring for the learning and wellbeing of every child in their class. Thank you to our support teachers, who provide special programs that encourage a love of literature in the library, a love of music, dance and drama through our creative and practical arts program, specialist support for our students for whom English is a second language or who need some extra help in there learning. I acknowledge that there have been times this year when these programs have had to be put on hold, and I thank these teachers for their flexibility and generosity of spirit during this time. Thank you to our office staff, who really keep this school running. The first port of call for most parent contact, student management when they come into the office in search of TLC, and generally keeping things running smoothly behind the scenes. Our school learning support officers, SLSOs, thank you for the care, kindness and compassion you show our students on a daily basis. Your role here is much appreciated.

This year we celebrated a milestone at Beaumont Hills Public School, our 21st birthday. As part of this day we acknowledged those who built this school, our first principal, teachers, students and parents, along side those of us with the responsibility of filling those shoes today. We are lucky here, the school has continued to be grounded by the values that it opened with, as all of us remain committed to what Beaumont Hills Public School stands for. I take this moment to thank our P & C, the committee and those dedicated members who attend meetings and all the hard work behind the organisation of many community events. I also thank our parent community generally, for stepping into helping when needed, and for working with myself and the staff here to create a strong school environment for our students. We couldn't do it without you.

I would like thank the outgoing P&C committee. Of course there are many parent helpers who contribute in all different ways to our school. Thank you.

Our end of year performance, held just over a week ago, was certainly a highlight of 2022. Knowing that our students had no performance groups through which they could showcase their talents, we gave every child the opportunity to shine through the Goldilocks mystery. The school had a fabulous atmosphere as parents, children and staff mingled and enjoyed the performance and talents of our children.

Principal Report

To our students, today is about you. It is a day to celebrate success. Congratulations to those students whose successes are acknowledged today. We celebrate commitment to learning, academic success, citizenship, sportsmanship and excellence in sport, commitment to creative and performing arts, including band. I would like to take a moment to congratulate all of our students on a year well done. Each day I am grateful for each and every one of you. I congratulate your individual successes, and know that every child sitting here has reason to be proud.

Congratulations to our 2023 student leadership team.

School captains – Elise and Beau

Vice Captains – Chloe and Benjamin

Prefects – Hannah, Loren, Kian and Nixon

Week 10 Newsletter

This will be the final newsletter for 2022. In Week 10 messages will be sent out with any last minute information and reminders for the beginning of 2023.

Principal
Ms Lyn Welsh

Stage Three Fun Fair

A vibrant poster for the Stage Three Fun Fair. At the top, a banner of colorful triangular flags (pink, blue, green, yellow, orange) hangs across the frame. In the center, the Beaumont Hills Public School logo is displayed, featuring a stylized green and blue swirl design with the text 'Beaumont Hills Public School' and 'LEARNING TO DREAM' around it. Below the logo, the words 'STAGE THREE' are written in large, bold, yellow letters with a slight shadow effect. Underneath that, 'FUN FAIR' is written in large, bold, white letters on a dark blue background. The date '14 December' is prominently displayed in large, bold, dark blue letters. Below the date, a list of activities is provided in red text: '• SAUSAGE SIZZLE • DISCO • FACE PAINT •', '• NERF WARS • SLIME • OBSTACLE COURSE •', and '• HAUNTED HOUSE • CUPCAKES •'. This is followed by 'AND LOADS MORE FUN!!!' in red. At the bottom, a dark blue banner contains white text: 'ALL STUDENTS REQUIRE A WRISTBAND TO PARTICIPATE.', 'WRISTBANDS ARE AVAILABLE VIA FLEXISCHOOLS FOR \$10.', 'ONE WRISTBAND = TEN ACTIVITIES', and 'MULTIPLE WRISTBANDS CAN BE PURCHASED IN ORDER TO ENJOY MORE ACTIVITIES.' The poster is decorated with several large, colorful balloons (blue, green, pink, red, purple) and a large cupcake with yellow frosting and a strawberry on top in the bottom left corner. There are also colorful streamers and confetti scattered throughout the design.

Stage Three Fun Fair

We are excited to announce that our much loved Fun Fair has returned after two years of COVID restrictions. For all families who are not aware of this fun filled event (and any who may have forgotten) please read through the following information carefully.

EVENT: Fun Fair
DATE: Wednesday 14 December
TIME: 11:00am - 2:00pm
DRESS: Fun mufti clothes (that can get wet and a little dirty)

HOW DOES IT WORK? Students are encouraged to purchase wristbands via Flexischools (available now) for \$10 each. The wristbands are a pass to participate in ten activities. All ordered wristbands will be provided to the students on the day. When a student goes to an activity, the Stage 3 leader will mark one tally mark on the wrist band. Once ten tallies have been marked onto the wristband, the wristband will be removed as it is no longer needed. If students have additional wristbands they will continue to use them until all applicable tallies are marked.

Throughout the duration of the event students roam the school with their friends engaging in the activities of their choice. They can attend all activities as many times as they choose however, each turn costs 1 tally. It is a great, fun filled day!

Our Stage Three students have prepared over 30 fun and exciting activities for students to enjoy including, but not limited to:

- a photo booth
- coloured hairspray stall
- Relays
- throwing at cans
- laser tag
- nerf wars
- soccer shoot out
- Archery
- sock wrestling
- Disco
- K-2 haunted house
- 3-6 haunted house
- ping pong
- art stall
- footy bombing
- staff baby photo guessing competition
- nail polish
- velcro darts
- slime making
- sponge wars
- sponge a teacher
- footy passing
- water balloon fights
- face painting
- basketball shootout
- commando course
- lucky dip
- feel & guess
- guessing competitions and a
- wheel of mystery!

Food and drink options include:

sausage sizzle
cupcake decorating
biscuit decorating
sour lollies
soft drink blind taste testing
spider drinks (soft drink with a scoop of ice cream)
ice cream scoops
soft drink stall and a
chip packet stall!

All for 1 tally mark (equivalent to \$1) each! Wristbands are sold in 10 activity (\$10) bundles only.

Stage Three Fun Fair

COMMON QUESTIONS:

DO ALL ACTIVITIES 'COST' THE SAME? Yes. All activities cost one tally mark (equivalent to \$1). In previous years we have allocated different values to each activity however, this is a much easier system for participants to navigate.

WHO LEADS THE ACTIVITIES? All Stage 3 (years 5 & 6) students. Stage 3 students have been working hard to plan and coordinate their activities.

WHO CAN PARTICIPATE? All students from K - 6

WHY ARE WE USING PREPAID WRISTBANDS? In previous years students have pre-purchased tokens to 'spend' at the activities. Each activity was a different value meaning a sausage sizzle cost 3 tokens and a visit to the haunted house cost 2 tokens. Many students experienced difficulties budgeting out their tokens which resulted in missed opportunities. This year we have decided to trial the wristbands and have all activities cost one point in an attempt to increase the fun opportunities for all.

DO PARENTS ATTEND? Unfortunately this is a student only fun day.

CAN PARTICIPANTS PURCHASE MORE THAN ONE WRISTBAND? Absolutely! One wristband equates to ten turns at the activities. The more wristbands students have, the more activities they will participate in. Please remember that if students would like a sausage sizzle they will need to make sure they have one point on their wrist band saved for it.

IS THE SAUSAGE SIZZLE FREE? No. The sausage sizzle 'costs' one tally mark (equivalent to \$1) and must be included in the students wristband allocation if they would like to have one. There will be a variety of options including beef, chicken, vegetarian and halal sausages as well as regular and gluten free bread. The sausage sizzle is available throughout the fun fair session.

CAN STUDENTS BRING THEIR OWN RECESS & LUNCH? Yes. If students would prefer to eat their own recess and lunch during the fun fair time they are welcome to. Otherwise there is a sausage sizzle, cupcakes, biscuits, spider drinks and ice creams available to enjoy using tallies on their wristband.

If you have any questions regarding this exciting event please do not hesitate to contact the school office.

Deputy Principal
Mrs Rebecca Adams

Admin. Manager

P & C NEWS

What a show! I'm sure you'll all agree that A Goldilocks Mystery was a complete triumph. All of our students did an amazing job and it was great to see so much talent being showcased. The glorious weather, market stalls and food trucks just added to the amazing atmosphere and made for a truly memorable evening. On behalf of the school, the P&C would like to thank all the teachers for the time and effort they put into the show, with particular thanks to Mrs Stennett, Mrs White and Mrs Adams for their artistic vision and enthusiasm.

The end of term is almost here, and this week sees the last round of this term's PSSA. Please can you remember to return all PSSA shirts to the Office or Uniform Shop in a clearly labelled bag. We would be grateful if all shirts could be laundered before being returned. If you have any queries, please do not hesitate to contact Mrs Anthony in the Uniform Shop via email uniformshopbhps@gmail.com

Our final meeting for 2022 will be held on Monday 12 December at 7pm in the Staff Room. We'd love to see you there. All welcome.

Our next P&C Meeting is on Monday 12 December at 7pm. This will be a face-to-face meeting at the school in the Staff Room.

Access to the school will be possible via The Parkway pedestrian entrance and the staff car park.

If you have any General Business you would like to come along and discuss, please submit to the P&C by the end of this Friday 9th December. Items may be submitted by emailing us at pandc.bhps@gmail.com.

BHPS P&C Executive

SRE NEWS

SRE 2023 - Ethics

This year at BHPS we have been lucky enough to offer Ethics to our current Year 4 students. Unfortunately for this group of year 4 students, Ethics will not continue in 2023 and they will be placed in Non-Scripture groups for 2023, unless the school is advised otherwise.

In 2023 Ethics will be offered to Year 4 students (our current Year 3 students) only. Depending on numbers, this may be opened up to students in Year 3 in 2023.

If you are interested in enrolling your child in Year 4 Ethics for 2023, the expression of interest form in the newsletter needs to be completed and returned or emailed to the office.

If you are interested in training to become a volunteer to teach Ethics - please see the flyer in the newsletter or contact Dana Sampath dana.sampath@primaryethics.com.au or PrimaryEthics.com.au for more information. We can only offer Ethics at our school through the generosity of volunteers.

Islamic SRE

This year we farewelled Ms El-Gashini from teaching our Islamic Scripture classes. She is very much missed, and we are thankful for the time she gave volunteering to teach Islamic Special Religious Education to our K-6 students.

We have been working with Islamic Special Religious Council (ISRE) to source another teacher for 2023 but have been unable to do so.

SRE only operates through the generosity of volunteers. If you are interested in finding out more information about becoming an Islamic SRE educator, please see the attached flyers or please email info@isre.org.au for more information.

If we are unable to provide a teacher for this group, all students will be placed in a non-scripture group in 2023 unless the school is notified otherwise.

Natalie Fink
SRE Coordinator

Ethics Classes at Beaumont Hills Public School

Dear parents and carers,

Are you interested in your child attending ethics classes?

In ethics lessons, students explore everyday issues suitable for their age. They learn to listen closely to each other, to disagree without putdowns and to think carefully as they form their opinions. Classes are free and are run by specially trained Primary Ethics volunteers, who are often parents and grandparents. Classes run in the SRE/SEE timeslot each week – Wednesday 9.30 am at our school. (Year 4 2023 only)

Ethics is for children of all faiths or no faith. The curriculum is prepared by Primary Ethics (a not-for-profit organisation which organizes volunteers who teach ethics in NSW public schools) and approved by the Department of Education.

Primary Ethics will help us set up an ethics program in our school if there is enough interest from families and there are enough volunteers available. Ethics classes are capped at 22 students and any students that exceed this number will be placed on a waitlist until a volunteer becomes available.

Ethics teachers present stories and questions that encourage children to think about what they would do – and what they ought to do – in that situation. The volunteer teachers use fully scripted lesson plans – they don't give their own opinions – to help the children develop their own ideas and discuss the issues amongst themselves.

Ethics explores topics like:

- Is it important to own up when you make a mistake?
- Is it ever okay to be lazy?
- Are there times when acting in your own self-interest doesn't count as being selfish?
- Should voting be compulsory?

Please return the slip to the office if you are interested in your child attending ethics classes.

Primary Ethics always needs more volunteer ethics teachers so that all parents at our school can have the option of choosing ethics classes for their child. It's only about an hour a week and you don't need any past teaching experience. You will receive free, comprehensive training with online self-paced learning plus trainer-led workshops (by Zoom or face-to-face).

Contact dana.sampath@primaryethics.com.au if you're curious about volunteering or visit primaryethics.com.au

Signed

Natalie Fink SRE Coordinator

Please return this form if you are interested in choosing ethics for your child

Child's name: _____ Class: _____

Parent's name: _____ Year: _____

Signed: _____ Date: _____

SRE NEWS

Primary
ETHICS

Help our children develop
skills for life

What does it
mean to be
brave? Is it ever
ok to break a
promise?

We don't have the answers to these questions. In an ethics class we let the children discuss questions such as the ones above and form their own views through respectful discussion with their peers.

Ethics classes support children to develop the skills they need to voice their opinions, consider the ideas of others and to make decisions based on evidence and reasoning rather than habit or peer pressure.

Ethics classes are facilitated by impartial ethics teachers who are trained to deliver our Dept approved curriculum.

Volunteers are needed now to teach ethics at Beaumont Hills PS. Classes run for 30 mins at the same time as scripture each week. Full training and scripts are provided and you only need about an hour a week.

Find out more at PrimaryEthics.com.au or contact Dana Sampath at dana.sampath@primaryethics.com.au

Love, Learn, Live Islam

What is Special Religious Education?

SRE is education provided to students in NSW public schools by authorised representatives of approved religious groups to students who have nominated that religion. These classes are commonly known as "scripture".

What is Islamic Special Religious Education?

Carrying the noble Islamic tradition of seeking knowledge and teaching, ISRE is an educational program dedicated to providing Islamic education to Muslim students in NSW Public Schools. ISRE is a project offered through the Islamic Council of NSW (ICNSW) and has been running since the early 1980's. ICNSW is an approved Special Religious Education provider with the Department of Education and Communities.

What is the Islamic Special Religious Education program?

The ISRE lessons provide a specifically tailored Islamic education program for Muslim students. The program is designed to teach Muslim students the basics of Islam, nurture them to develop a strong sense of identity and purpose and inspire them to lead productive lives by contributing positively to themselves, their communities, their society and the world. The ISRE program is non-sectarian and is provided to all Muslims students, regardless of their sectarian groupings. The aim of ISRE is to teach students to love, learn and live Islam.

Where do I get further information?

For further information about the program can be found at www.isre.org.au. You can also email us at info@isre.org.au or call 029708 0880. You're also welcome to visit our office located at - 2/14 French Avenue Bankstown NSW 2200.

ISRE | ISLAMIC SPECIAL
RELIGIOUS EDUCATION

Dear Muslim Parents and Caregivers,

Did you know that all children in NSW Public Schools are entitled to a session of religious education every week?

Our aim in providing SRE is to educate the Muslim students in your school to the best of our ability. With your support and assistance, we seek to develop in Muslim students a better understanding towards the teachings of their religion whilst also developing in them a stronger connection to their creator, their school and wider community.

Teachers are provided with a syllabus with weekly lessons. All we need is ½ hour to 1 hour of your time per week.

Are you interested in filling this position?

All information and materials are provided by the Islamic Special Religious Education (ISRE) body of the Islamic Council of NSW. It's easier than you think and is also extremely rewarding!!

YOU can make a big difference to our children.

Show our children how important Islam is to you and how vital it is for the development of our community. Your time and help will be greatly appreciated and immensely rewarding!

Please feel free to contact us on 9708 0880 (Monday to Thursday 9:30am-2:00pm), or email info@isre.org.au for further details or interest.

ISLAMIC COUNCIL
OF NEW SOUTH WALES

SCHOOL SONG ...

Staff and students will be working with an Aboriginal Elder this term to create a BHPS song. This song will incorporate our school history, our values, why BHPS is special and our dreams for our future. We would love your help! If you would like to share why you think BHPS is special or suggest some song lyrics, please email Ms Suzan Hirsch with any ideas. We will pool ideas from staff, parents and students to create our song lyrics.

Ms Suzan Hirsch

Beaumont Bites - Canteen News

Lunch orders can be placed via flexischool website (www.flexischools.com.au) or App. The cut off time is 9am on the date you would like your child's lunch to be delivered. We totally understand there may be times we are busy with our morning routine as well as getting the kids ready for school. If you happen to miss the cut off, please do feel free to call the school and transfer to canteen. We will do our best to help you out.

****Any urgent phone orders after 10am, ONLY Sandwiches or Hot Noodle Cup will be offered. ****

**** To avoid disappointment please organise lunch order as EARLY as possible.**

(Note: Due to Covid-19, please DO NOT come into canteen or school ground without school permission.)

ABSENCE / LEAVING SCHOOL EARLY

- If your child/children have a lunch order but they would be absence on the day, please feel free to contact canteen before 9:30am to rearrange the order. We are happy to move the order to other days if needed.
- If your child/children need to leave school early but have a lunch order on the day, feel free to come to canteen to pick up before you leave.

(NOTE: Once the lunch has been made, no more cancellation)

Beaumont Bites - Canteen News

STUDENT CANTEEN ACCOUNT

Starting from this week you may have already, or you are going to receive a notification from canteen regards to your child/children's canteen account. If you did receive the message, please make the payment as soon as possible. So we can up date all student accounts.

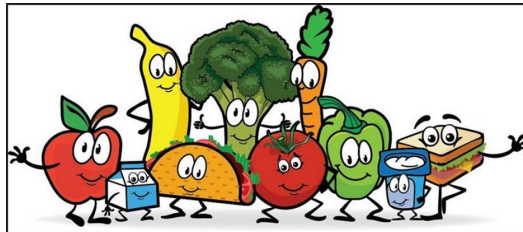

Ways to make a payment.

1. Flexischool - Order all items listed in your notification message under the date you were told. Once the order went in, Canteen will cross out as paid and bring the account up to date.
2. Cash - Put the total about due in an envelope with your child/children's CLASS and FULL NAME and send to office or directly to the school canteen.

Thank you very much for supporting the school canteen.

We continue to practice good hygiene in the canteen and provide healthy snacks and meals. If there are any questions or feedback, feel free to let us know.

Limited Stock

It is towards end of the year, and you may notice some items are limited in supply or out of stock. Please take this chance to choose other alternatives. We apologise for this inconvenience. Thank you very much for supporting the school canteen.

Canteen will reopen on TUESDAY 31/JANUARY/2023!!!!!!

GERRIC for Gifted Students Program

Helping bright young minds thrive

January 2023

Online & on-campus

9-13 January
2023

Online

UNSW Campus,
Kensington

9:00am - 3:00pm

We are excited to announce that our GERRIC Student Programs will return in January 2023! Our Scientia programs will be run both online and on-campus to provide students with the choice of what works best for them. This is a school holiday program that expands the minds of bright, inquisitive individuals looking for an intellectual challenge that is more demanding and more fun than they may sometimes experience at school.

All courses are 3-day workshops. Registration will be available from 10 November 2022.

Junior Scientia: Years 3 - 6

The Junior Scientia program is designed for gifted and talented primary school students in Years 3-6. To participate in the program, students will select one three-day workshop from a range of options.

All workshops are developed and presented by experienced teachers who are qualified or experienced in gifted education. They possess the expertise and skills to encourage the interests and pique the curiosity of gifted children.

Scientia Challenge: Years 7 - 10

The Scientia Challenge program features a range of exciting workshops taught over three days designed for gifted and talented high school students in Years 7-10.

Developed and led by practising experts, the workshops follow a university-style investigative structure with intellectually-stimulating content. With the level of study aimed two years higher than the students' grade level, these dynamic workshops offer gifted students a rigorous and challenging program.
