Principal's Report

Student progress

We are at the conclusion of our reporting cycle for Semester 1. All parents will have received student reports through Sentral, and either have met with class teacher or will do so by the end of this week. Please make the most of this opportunity to discuss your child's achievements so far this year.

Library

Remodelling of our library is a joint school/P&C project. After many months of planning, measuring, ordering etc our first delivery of furniture has occurred. Enjoy the before and progress photos of the work so far. Mrs Flanagan, Mrs Adams, Mrs Selva-Kumar and Mr Eddie have all been very busy! A big thank you to P&C and the school community for supporting this project. Funds raised at last year's colour run have contributed to the purchase of the new furniture.

Principal's Report

School improvement plan

Please take the time to read our progress to date regarding school improvement. We are 18 months into our current school plan, and are making great traction towards achieving our targets.

Strategic Direction 1: Student growth and attainment

Summary of progress

The school engaged in professional learning to build the capacity of leaders and teachers in the areas of reading and numeracy with a strong focus on impact on student growth and attainment as measured by the triangulation of both internal and external data. Inquiry teams initiated investigations into evidence based practices and shared this research widely with teaching teams. The K-2 reading inquiry team focused efforts on the introduction of the NSW Department of Education professional learning packages for phonics, phonemic awareness and phonological awareness. Staff engaged with this professional learning in depth and as a result, created a systematic implementation plan to provide consistency across K-2 classes.

The 3-6 reading inquiry team focused efforts on the fluency component of the 'big six' strategies to support reading comprehension. The teaching team deepened their understanding of fluency, its role in reading comprehension and strategies for explicit instruction. The WARP assessment was introduced as a tool along with the development of an observation rubric in order to track and monitor student growth and development in fluency. The reading inquiry teams continue to review and revise implementation plans and move towards investigations into the vocabulary component of the 'big six' strategy to further support reading comprehension development.

A school wide assessment map was developed to ensure a consistent approach to internal assessment data was implemented across K-6 in order to track and monitor student achievement and growth over time. A focus on Visible Learning commenced with a review of the use and understanding of learning intentions and success criteria. Baseline data was collected through the implementation of student focus groups from Years 2 - 6. Students were asked a series of direct questions to facilitate discussion around the use of learning intentions and success criteria and their impact on student learning. This data continues to inform our planning.

Strategic Direction 2: Wellbeing

Summary of progress

The school learning and support team identifies students for targeted support. Positive behaviour programs have been implemented. A program of implementing 'Zones of Regulation' as the tool for self regulation is in progress and will continue. All staff are trained in Trauma Informed Practice. Intentional check ins occur for all students, more regularly for targeted students. Choice Theory implementation has been partially delayed with teachers unable to attend training in 2021. However the Get Happier Project is being implemented with students and is providing consistency in approach to student self responsibility in learning and behaviour. Update of Behaviour and Discipline policy has been delayed and will be a focus next semester, in line with the Semester 2 implementation of the Student Behaviour Strategy.

Strategic Direction 3: Collaborative high impact professional learning

Summary of progress

The school established K-2 and 3-6 Reading Inquiry Teams in order to facilitate high impact professional learning. Teams engaged with evidence based research and developed clear systems to integrate into classroom practice. Through the reading projects, a learning culture has been established where new learning is applied to teaching practice. Professional learning on using data to inform practice occurred during team data talks where teachers engaged in collaboratively developing skills to analyse data to effectively inform teaching and learning programs. Data talks were conducted twice per term and provided collegial discussion and in depth analysis of class, cohort and school data. This regular analysis of student progress enabled teaching and learning programs to be dynamic, based on student individual and cohort needs and trends.

Term 3 Events

Beaumont Hills PS turns 21 this year. Our 20th birthday celebrations were put on hold due to COVID. We will celebrate a 21st on Sunday 11 September. At this stage it is likely to be held between 11am and 2pm so save the date! More information to follow.

Education Week is Week 3, 1-5 August, with open day being Thursday 4 August. We will combine Open Day with a Book Character Parade to celebrate Book Week at the same time. Open Day will see Sculptures at BHPS return. It has been four years since BHPS students and teachers created sculptures and showcased these in our school grounds. For many of our students, parents and teachers this will be a brand new event. We are very excited to bring it back and hopefully will now be able to repeat in a bi-annual cycle.

Semester Break

I wish parents and students a restful break from school over the next two weeks. Students return on **Tuesday 19 July**.

NSW PSSA Championship

On Monday Zoe and Violet competed at Nepean Rugby park against a trial squad of 35 girls. They did skills training for 2 hours and then played 4 games each against some very talented opposition. Zoe and Violet both made the possible and probable squads where they had to stay for another 2 games and then a team of 12 girls was selected for the Sydney West side.

Zoe and Violet were both lucky enough to be selected in this side and will now compete at the NSW PSSA championship in September.

Congratulations to Zoe and Violet. We are very proud of you and grateful that you represent Beaumont Hills Public School with outstanding skill and sportsmanship.

P&C NEWS

It is hard to believe it is the end of Term 2 already. As our July meeting would fall in the middle of the Winter holidays, our next meeting will be in August. It will be a very busy meeting as we have plans for lots of exciting events in Term 3 and early Term 4, including Father's Day and our first School Disco in 3 years! We'd love more parents and carers to be involved in the organisation of these events and would value your ideas and input at this planning stage as well as volunteering on the day. We will definitely be asking for help with these and other events coming up, so please consider offering your time to help make these fun, school community events successful. We can't do it without you!!

Our next meeting will be at 7pm on Monday 8 August in the staff room. If you have any General Business that you would like us to include on the agenda, please email it to pandc.bhps@gmail.com before Friday 5 August. If you are unable to attend meetings, do consider becoming a P&C member - only \$2 per year - as this will enable you to receive the minutes of the meeting, helping you stay in the loop. Just fill in the online form to join. <https://forms.gle/q23uojBno3hMKBeS7>

Canteen News

Dear BHPS family,

Last week of TERM 2 !!!!!

CANTEEN VOLUNTEERS

Great News!!!! We are NOW allowed to have volunteers in the canteen.

Starting from next term, if you have a spare 1-2 hours a day feel free to contact office or canteen about being as a canteen volunteer. We, especially your kids, love to see you around in the school. All volunteers need to be physically well and healthy and no pre-schoolers are allowed.

You are required to complete the following three steps:

1. A Working with Children Check - Declaration for Volunteers and Non-Child-Related Contractors, (Click link below for the form.)

<https://beaumontbps.schoolzineplus.com/file/szschool/newsletter/70941/attachment/Declaration%20for%20Volunteers%20and%20Non-Child-Related%20Contactors.pdf>

2. One government-issued photo identity document with full name, date of birth and current residential address.
3. A Proof of double-dose Covid-19 Vaccination

Contact School Canteen for more information.

SUPPLY LIMITATION

Due to limited supply of lettuce and vegetables, we now need to close salad orders from flexischool until further notice. All burgers and salad sandwiches are still available from the menu. We appreciate your support and understanding.

We continue to practice good hygiene in the canteen and provide healthy snacks and meals. If there are any questions or feedback, feel free to let us know.

Have a Wonderful Winter Holiday!!!!

*Best Regards
Yukiko & Judy

WE ARE EXPERTS IN SPORTS EDUCATION AND ENTERTAINMENT. WE WOULD LOVE THE OPPORTUNITY TO MOTIV8 YOUR CHILD DURING THE JULY SCHOOL HOLIDAYS.

WHAT IS MOTIV8SPORTS?

Our company started in 2001 and over the past 21 years we have performed hundreds of CAMPS, CLINICS, PARTIES and IN-SCHOOL events for Primary school children. Basically we perform the best sports events on the planet for kids of all abilities. When a child attends a Motiv8sports event they receive our members jersey for free and a commitment from our team to provide them with amazing safety and supervision.

OUR COACHING TEAM ARE AMAZING!

Our coaching team led by Coach Josh are first aid trained, have completed their working with children clearance and most importantly... they are amazing role models. Our coaching staff are energetic, happy, fun and inspiring humans who love to motiv8 children. When a child attends Motiv8sports we are committed to building their confidence, resilience, and determination.

WHAT HAPPENS AT A MOTIV8SPORTS CAMP?

At a Motiv8sports camp your child will receive their jersey and be placed in a group of 16 to 22 children the same age. If your child has friends going then we can even place them in the same group. The Motiv8sports Olympics as a legendary event we hold only once every calendar year. Campers are assigned a country they represent and earn points for in a quest to WIN the Motiv8sports Gold Medal and be crowned Olympic Champions. Camper will experience our hybrid team sports including: Super Soccer, Flagball, Big Dog Cricket, Ultimate League, Street Hockey, Ballers, Sector-8 and a long list of other cool sports. Each afternoon campers will enter our Olympic Colosseum and take part in 8 different Olympic individual events. The Motiv8sports Colosseum has to be seen to be believed with a D.J pumping music, medal presentations on the Motiv8 podium & a truck load of prizes up for grabs.
