Principal's Report

Organisation

We are currently experiencing a number of staff absences, all of which are necessary. We are finding it increasingly difficult to replace teachers for day to day absences, and there are times when classes are needing to be split more than we would like. Covering classes takes priority over our very important support programs, and we are regularly using the teachers of these programs to cover classes. I am grateful to our parent community for remaining patient when children come home saying they have been sent to 'split classes' twice and on rare occasions three times in a week. If other options were available to us they would be taken.

When students are split to other classes they work with that class wherever possible and appropriate. The split booklets that the children take with them are filled with a range of activities, fulfilling curriculum outcomes, including reading, writing and mathematics. It is an expectation that students undertake these key learning areas every day and supervising teachers do monitor the work of all students.

NAIDOC WEEK PERFORMANCE (delayed from actual NAIDOC Week)

On Monday we had the Koomurri people come to our school and teach us about the Aboriginal and Torres Strait Islander cultures. We had a smoking ceremony, a didgeridoo master show, a dance show and also some story telling. They taught us about the Aboriginal artifacts, weaponry, bush survival and they even painted our faces with paint made from ochre rock. It was a great experience and we all really enjoyed the day.

Peer Support

Week 7

In Peer Support this week children will be focusing on the skills of winning in a friendly way and coping with losing. The children will participate in various activities and discuss how to accept the outcome of a game, no matter what it is, in a friendly way in order to maintain those friendships. During the week encourage your child to practise these skills in all aspects of life - whether it be weekend sport or choosing what to watch.

Week 8

In this week's final session of the Peer Support module Keeping Friends the children will be participating in a board game, reinforcing all of the concepts and skills that have been learned over the past 7 weeks. They will be reminded of the qualities of a good friend and the skills needed to maintain friendships and make new friends. Each Peer Support group will have the opportunity to celebrate what they have learned and the new friendships and connections they have made.

Beaumont Bites - Canteen News

Dear BHPS family,

Believe or not it is now halfway into Term 3.

Hope you and family are all looking forward to the Spring to come.

CANTEEN PRICE ADJUSTMENT

Due to current situation, the price of groceries are continuing to rise. Therefore, we would like to inform you that from Thursday 1 September 2022 there will be a price adjustment on some of our canteen menu.

Stay tuned for updated Menu.

NO SHARING OF FOOD

We notice there has been a lot of children who come to the canteen to get extra spoons or folks repeatedly. It brings to our attention that child may have the tendency be sharing food at recess or at lunch time. We always encourage 'No Food Sharing' at school. Especially now during this crucial Covid-19 period, we need to be nice but firm. We totally understand some students may forget their spoon or folk when packing lunch boxes. Therefore, we have decided within the first 10 minutes of recess and lunch time we will give out "A spoon" or "A folk" for students who do not have any to enjoy their recess and lunch. Any time after that we will charge \$0.10 per utensil.

NO SHARING OF MONEY

Sharing is caring. But in school grounds we strongly enforce 'No Money Sharing'. We do our best to observe at school. If you have a child that has been told not to share money, we would love to ask for your understanding of us doing so. Please explain to them about 'No Sharing of Money'.

****To minimize the money sharing issue, we suggest parents only give your child/children no more than a \$5 Note MAXIMUM. ****

P & C News

Happy Father's Day to all our Dad's and Grandads! We hope you have a fabulous day.

Don't forget to buy your prepaid coupons for the Father's Day Stall via [Flexischool](#) which is being held on Thursday 1 September. All gifts are \$5.00. For those attending the Zone Athletics Carnival, gifts will be available to purchase on Friday 2 September so you don't miss out!

Just over 2 weeks now until the school's 21st Birthday Celebration. Make sure you are here on Sunday 11 September from 11am-2pm. We now have confirmed Golden Ridge Animal Farm, an awesome inflatable obstacle course, sausage sizzle, fairy floss, fun sport activities, memorabilia from the school's first 21 years and more...

Please help us spread the word. The event is open to everyone in the local community and we'd love to welcome back some of the students who have attended BHPS over the last 21 years. This is as much their celebration as ours!

We will require some help to make our birthday a success. We will send a separate email and post on our Facebook page with details of what is required. Volunteer shifts will be fairly short to enable everyone to have the chance to enjoy the celebration. Please pitch in and help - it's fun, you get to meet new people and it means we can all enjoy the day.

Our next meeting will be held on Monday 12 September. All are welcome, you don't need to be a P&C member. The meeting will be at 7pm in the staff room.

If you have any General Business for the meeting, please contact us at pandc.bhps@gmail.com by Friday 9 September. Please remember, if you would like an item included on the agenda, you must be able to attend the meeting to present the item.
