## Principal Report

This week we have celebrated the achievements of 2023, collectively, individually, and to honour those who have excelled.

School bands - Thank you to Mr Miesch and the Teaching Services Australia team for providing the students in our school this wonderful opportunity. I am so proud of this group, listening to them among other school bands shows the quality of their performance. Thank you to the students of the band for performing at Presentation Day Assembly and entertaining us all.

Our staff are deeply invested in finding and nurturing the immense potential inside all students so that they are equipped to explore the boundless possibilities that lie ahead of them. To do this takes determination, hard work and a commitment to the pursuit of excellence. I thank all our teaching, support staff and SASS staff who have invested so much of themselves and their tremendous expertise in the pursuit of this vision for the benefit of our students and our School.

I would also like to thank our P&C for your efforts this year. Working together for the good of every child has seen the coordination of community events such as the back to school event, school discos, the convenience of a uniform shop here on site, plus fund raising to provide upgrades of school facilities. The fundraising activities usually create wonderful community events and opportunities of fun such as the colour run held this year. Thank you to all parents who have volunteered to support us in any way this year.

The achievements for us as a school for 2023 – I look at this in terms of what has changed? One of the most noted changes for 2023 has been the realisation of the creation of a school song, 'Learning to Dream'. The school song was the vision of a group of teachers, included input from our school community about what is important to us and what makes us special. The very talented Miss Walshe created the lyrics and the music, bringing the song to fruition, and making it a part of our school culture. It gives me great pleasure every time I hear this song, and seeing the smiles on the faces of our children as they sing these important words. Learning to Dream is a legacy that I am sure Miss Walshe is proud of leaving us with.

2023 has seen the return of some of our performance groups. I have already spoken of our wonderful band. We have had a Stage 2 and Stage 3 dance group who have competed in eisteddfods and performed as part of the Rouse Hill HS MADD Concert. Thank you to Miss Peisley for coordinating the dance group, choreographing dances that have been very entertaining.

Our school choir has re-formed this year, competing at eisteddfods, and performing at Hills Performing Art Festival. One of the focuses for our school choir was the learning of our school song to present this to the school. Miss Walshe and Mr Roberts have both supported the choir this year.

# Principal Report

We have had incredible successes in the sporting arena this year, many of these achievements were acknowledged during our ceremony. We have had several students represent us at a national level in team and individual events, plus our PSSA teams have brought home championship trophies.

To all of the students of BHPS, thank you for your commitment to learning on a daily basis. Your efforts in the classroom are rewarded by you achieving your personal learning goals. Remember every day to value learning, show respect, be safe and be kind. Congratulations to all our award winners, I thank you for your commitment and being wonderful role models for all at our school.

I wish all of our school community a merry Christmas and happy holiday.

Reminder – students in Years 1 to 6 return to school on Thursday 1 February 2024. Students will line up in 2023 class lines and from there dispersed into 2024 classes.

It was a great pleasure to be invited to present the P&C Award at Tuesday's Presentation Ceremony. Congratulations to all of the students who received an award in both the 3-6 and the K-2 Presentations. You should be very proud. Congratulations as well to all of the new school leaders. We look forward to seeing you fulfil your new roles and thank you to last year's school leaders for all their hard work. A highlight of the ceremony was having the opportunity to see our choir, dance groups and school band performing. It really added to the occasion and it is great to see so many talented students in our school. Thank you to Miss Peisley, Miss James, Mr Roberts, Mr Miesch and all the teachers from TSA for their creativity and dedication to these groups.

Thank you to everyone who attended our celebratory December meeting on Monday. It was a lovely way to finish off a busy year and it was great to make the time and space to chat and catch up. For anyone who couldn't make it, please accept our sincere thanks for all you have done to support the P&C and our events. We couldn't have done it without you.

Our next meeting will be held on Monday 12 January at 7pm. Weather permitting, we'll meet and start our meeting in our new outdoor learning area which can be found next to the classrooms near The Oval. All welcome!
