Attendance Matters

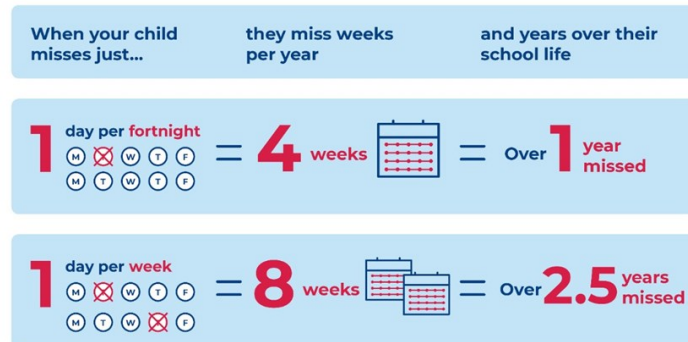

We want to do all we can to be sure your child achieves their potential and enjoys being in school. One way we can help make this happen is to be sure your child attends school each day unless they are sick, have symptoms or are absent for a justified reason.

Protecting the wellbeing of our students through the reporting and monitoring of student absences is the responsibility of both parents/carers and schools. Notifying the school either before or on the day that your child is away helps us keep accurate student attendance records to support you and your child. We know that school is the best place to learn and regular attendance means students can stay on top of their schoolwork and get the most out of their learning. If you are having trouble getting your child to school every day or on time, please talk to our school staff so we can work together, because every day counts.

Missing a day here or there may not seem like much but absences add up and can impact your child's learning more than you think. When your child misses one day a week over a year, that's 40 days of school, 8 weeks of lessons and 2.5 years over their school life lost. As your child's education has already been interrupted through periods of learning from home due to COVID-19 over the last 2 and a half years, now is the time to prioritise face-to-face learning and making the most of every school day.

Days missed = years lost

A day here and there doesn't seem like much, but...

education.nsw.gov.au

Principal Report

Our school strives for the expected attendance rate which is above 95% of students at school each day over the year.

If your child is unwell they will need to stay home, get tested for COVID-19 if they are experiencing [symptoms](#) and only return to school when symptom free.

We understand that students and families are ready for the holidays but being at school every day boosts student learning and confidence and helps them build and maintain friendships.

A reminder that holidays should only be booked during school breaks and students should be at school every day during school term, right from beginning to end.

Meet the Teacher

Meet the Teacher is occurring face to face this year. The meetings will take place next week, Tuesday and Wednesday afternoons.

The scheduled time for these meetings are:

Tuesday 21 February

4.00pm - Year 6

4.45pm - Year 5

5.30pm - Year 4

6.15pm - Year 3

Wednesday 22 February

4.00pm - Kindergarten

4.45pm - Year 1

5.30pm - Year 2

These meetings are valuable in getting information about school and class routines, learning and expectations. Teachers are unable to meet one on one to discuss individual students at these meetings. This will occur later in the year, and as needed.

Online Learning Tools

When choosing third-party online applications for the 2023 school year, we have been advised to use department-approved applications in the first instance. In considering online applications not offered by the department, it's important to consider the security and commercial ramifications of using them. As a result of this ClassDojo will no longer be used as a reward tool in our school. Mathletics and Reading Eggs are both approved by the Department of Education.

Upcoming events

Summer PSSA begins this week and runs for 4 weeks only, finishing to allow no disruption during NAPLAN. Teams are selected and shirts in the process of being handed out. Last Friday trials for zone teams were held. These trials are invitation only with school coaches selecting students to attend.

NAPLAN has been brought forward this year, taking place Weeks 8 and 9 this term, 15-24 March. Swimming Carnival is next Wednesday 22 February. As in previous years it is competitors only. There are qualifying times in all events for Zone Carnival to be held Monday 6 March.

Band has started back, with new students enrolling for lessons. I look forward to seeing band continuing to develop this year. They were excellent last year.

Performance groups will begin auditions soon.

Principal Report

New Playground Installation

Urban Landscape Projects is about to begin the installation of our new playground equipment. Work will begin at the end of this week, and we are hopeful to have it in use by the end of this term. It will be very exciting to watch the progress!

Dominic Perrottet MP
Premier of New South Wales

Dear Parents,

As the 2022 school year draws to a close, I wanted to thank you and all parents, students and teachers for your extraordinary efforts this year.

I also want to let you know about a new program that will ease pressure on household budgets by helping to pay for your children's school supplies at the start of the next school year.

From 12 December 2022, NSW parents can access a \$150 Premier's Back to School NSW Voucher for each child in primary school, secondary school or home-schooling in 2023.

Vouchers can go towards the cost of school uniforms, shoes, bags, textbooks, or stationery purchased from registered businesses. You can apply for the vouchers via the Service NSW app, and for more information, visit service.nsw.gov.au, call 13 77 88 or attend a Service NSW Centre.

This new program is part of our plan to give families a more secure financial start to the year.

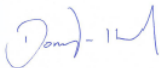

It has been fantastic to see so many students back in the classroom and thriving in 2022 after so many disruptions, and 2023 is shaping up to be an even bigger year for education in NSW.

We're rolling out a new, back-to-basics curriculum; making changes so students are even better prepared for employment and further education; doing more to recognise and reward our best teachers; and making it easier for parents to connect with your children's education.

It's all about taking those important steps to make NSW education the best it can be, so we can set up our children for future success.

Thank you again for all your efforts this year. I wish you and your family a safe and happy summer - and don't forget to download your Premier's Back to School NSW Voucher from 12 December.

Yours sincerely,

Dominic Perrottet MP

UNIFORM SHOP

Attention Parents and Carers

Thank you for your donations but unfortunately, I have received a lot of items which aren't school uniform lately (external sports club jerseys etc) along with sock/stockings etc which we don't re-sell. I am having to keep taking things to clothing donations bins or normal bins and it's just too time-consuming sorting through it all.

If I can just, please ask if any donations are made can **only** be items they purchased from the uniform shop except for hats, backpacks and library bags (we don't take these items to re-sell).

P & C NEWS

Welcome back to all of our teachers and students, and a huge HELLO AND WELCOME to our new Kindergarten students and families. We can't believe it is Week 4 already! We had our first meeting of the year on Monday and it was lovely to see so many new faces. It was a really productive meeting with lots of updates from Ms Welsh, a presentation from Mr Roberts and Miss James, the school's Federation of Teachers representatives and planning by the P&C members for the upcoming school year.

To start 2023 with a bang, we are excited to tell you about our Annual WELCOME BACK EVENT, which will be held on **Friday 24 February** at the school from 5-7pm. This is a fun early evening get-together for students, families and teachers alike which is provided by the P&C. There are loads of free, fun activities including an interactive Reptile Display by Feature Creatures, a chance to give soccer a go with Kellyville United Football Club and rugby with the Kellyville Bushrangers on the Oval, a Disco in the Hall with our very own DJ Acealater (otherwise known as our P&C Vice President and awesome parent Adam). Feeling hungry? Buy a Sausage Sizzle from our BBQ, Fairy Floss, coffee, slushie and more... The event will go ahead rain or shine and is always a highlight of the year. We are so looking forward to seeing you all.

Just a reminder that our Uniform Shop is open on Monday mornings for in-person sales. Uniform items can also be bought online via the Flexischools App. Order by 4pm on Wednesday for a Friday delivery to class. If you would like to use your Back To School Vouchers, these must be brought to the uniform store and redeemed at the time of purchase. Did you know that our school shorts are suitable for both boys and girls? We are changing the wording in our uniform store to reflect this as more girls are choosing to wear shorts due to comfort and for practical reasons. This means that we now have skirts, skorts and shorts as options for our students to choose from for school.

Our next meeting will be on Monday 13 March at 7pm in the Staff Room. All are welcome! Amongst other topics we will be discussing the Election BBQ (25 March) and our annual Easter Raffle.

Please look out for an email about a week before the meeting asking for General Business. This is an opportunity for parents and carers to request a topic, which you believe to be relevant to the school community, to be discussed at the meeting. It is essential that you put the request in writing to the P&C in an email with as much detail about your topic as possible. The person requesting the item must also be able to attend the meeting to introduce the item.

For all the most up-to-date info, make sure you like and follow us on Facebook. Our group is being phased out, so do make sure you follow our Beaumont Hills Public School P&C Association Facebook Page.

Ethics Classes at Beaumont Hills Public School (Years 1 and 4)

Dear Parents and Carers,

Are you interested in your child attending ethics classes?

In ethics lessons, students explore everyday issues suitable for their age. They learn to listen closely to each other, to disagree without putdowns and to think carefully as they form their opinions. Classes are free and are run by specially trained Primary Ethics volunteers, who are often parents and grandparents. Classes run in the SRE/SEE timeslot each week at our school.

Ethics is for children of all faiths or no faith. The curriculum is prepared by Primary Ethics (a not-for-profit organisation which organizes volunteers who teach ethics in NSW public schools) and approved by the Department of Education.

Primary Ethics will help us set up an ethics program in our school if there is enough interest from families and there are enough volunteers available. Ethics classes are capped at 22 students and any students that exceed this number will be placed on a waitlist until a volunteer becomes available.

Ethics teachers present stories and questions that encourage children to think about what they would do – and what they ought to do – in that situation. The volunteer teachers use fully scripted lesson plans – they don't give their own opinions – to help the children develop their own ideas and discuss the issues amongst themselves.

Ethics explores topics like:

- Is it important to own up when you make a mistake?
- Is it ever okay to be lazy?
- Are there times when acting in your own self-interest doesn't count as being selfish?
- Should voting be compulsory?

Please return the slip to the front office if you are interested in your child attending ethics classes.

Primary Ethics always needs more volunteer ethics teachers so that all parents at our school can have the option of choosing ethics classes for their child. It's only about an hour a week and you don't need any past teaching experience. You will receive free, comprehensive training with online self-paced learning plus trainer-led workshops (by Zoom or face-to-face).

If you're curious about volunteering or learning more about Primary Ethics, please visit primaryethics.com.au.
