FEE EXPLANATION 2019

Dear Parent/Caregivers,

The school account includes the following:

- **Creative Arts Levy** – This levy covers materials used for visual arts, music, drama and dance. This year funds raised through this levy will contribute to the purchase of new instruments as well as our annual purchase of supplies for visual arts programs and end of year school productions.
- **Technology Contribution** – applies to all students K-6. This voluntary contribution will be used to purchase additional computers to provide greater access to technology for all students in classrooms. Over the last few years the school community's support of this contribution has allowed for the establishment of a network of approximately 300 computers, the purchase of over 100 iPads, interactive TVs and a total wireless upgrade to support the necessary infrastructure required for this volume of technology.
- **Mathletics Homework** – is a web-based learning program which integrates home and school learning via the internet. Learn anytime anywhere.
- **School Magazine** – is a reading resource which is issued monthly to all students in Years 3-6 and will be on term accounts.
- **Reading Eggs** – is a web-based learning program which integrates home and school learning via the internet. Learn anytime anywhere.
- **Stationery Levy K-6** – includes exercise books, photocopying paper and other classroom requirements issued on the Term 1 account.
- **Text Books** – Kindy & Years 1-2
- **Book Covers** – includes long lasting plastic covers in a variety of fun designs for each of the student workbooks so parents no longer need to cover them with contact
- **Extra-Curricular** – such as carnivals, excursions, incursions, PSSA sport, Sports in Schools and any other activities provided outside the regular school curriculum will be shown on term accounts throughout the year.

Families will be emailed an account at the beginning of every term and are also available on the school website for download along with the relevant permission notes. These accounts outline programs, excursions and resources being accessed by your child/children and prompt payment is appreciated. Payment envelopes are sent home and a direct deposit facility is available.

We realise some families may experience personal circumstances that could impact on their ability to make payment of this account. If this is the case, please do not hesitate to contact the School Administration Manager or myself. Please be assured that all enquiries are confidential.

If parents would like any further information please contact Lyn Welsh, Principal.

Yours sincerely,

Lyn Welsh
Principal
