KINDERGARTEN REQUIREMENTS 2022

Dear Parents/Caregivers,

Welcome to Kindergarten 2022. To assist us with our teaching and learning programs for the year, students will be required to purchase their workbooks from the school, which maintain correct line size for each age group. These items appear on the Term 1 Account.

Students are required to bring the following items to school:

- 1 x box of tissues
- 1 x packets of wet wipes

Please **do not** label these items as they will form part of a communal class set.

In addition to the above supplies, students will also require the following items:

- 1 x headphones (not ear buds as they tangle easily)
- 1 x paint shirt
- 1 x library bag (available from the uniform shop)

Please **clearly label** these items with your child's name.

Stationery

All equipment required for book work such as pencils and scissors etc. is supplied by the school for Kindergarten students. Please do not purchase a pencil case as Kindergarten students use classroom pencil tins for their equipment.

School Shoes

Black leather school shoes are recommended for day to day wear at school. Whilst there is not an expected style of shoe for boys or girls the two examples below show common styles that most junior students wear.

It is recommended that students know how to tie shoelaces before wearing lace up shoes. For your child's safety, please use Velcro as an alternative for both school and sport shoes until your child can tie their laces independently.

Thank you for your support and cooperation.
