## ROUSE HILL HIGH SCHOOL 'TASTER DAY'

Dear Parent/Caregivers,

Transition to high school is an exciting experience. It is important that students are provided with opportunities to familiarise themselves with high school settings and structures. This enables all students to feel supported and prepared for the new learning environment that awaits them.

**All Year 6 students, regardless of the high school they plan to attend**, are invited to Rouse Hill High School to experience a taste of high school. Students will be provided with the opportunity to engage in 'taster lessons' which may involve the use of Science labs, Visual Arts rooms and Technology workshops. The afternoon is designed to engage students in interesting learning activities whilst they explore new environments!

Rouse Hill High School will provide a bus to transport our students to and from the high school. Our Year 6 teachers will supervise students on the bus. Students will then be supervised by Rouse Hill High School staff throughout the session at the high school. Students will be transported back to our school by bus, which will once again be supervised by our Year 6 teachers.

Students are required to wear full school sports uniform. Students will have normal recess at school and will have a lunch break at 1:00pm at Rouse Hill High School. The high school canteen will be available to students at lunch time. Please do not order a lunch order from BHPS.
