ACTIVITIES INVOLVING FOOD

Dear Parents/Caregivers,

From time to time teachers plan activities involving food as a part of classroom learning activities. These activities provide students with valuable hands on experiences that act as stimulus to in class writing, discussion or response activities. At times students are also able to eat what has been made. This will always occur in class under teacher supervision.

Please complete the permission form below, noting any allergies that staff need to be aware of during these learning experiences to prevent allergic or anaphylactic reactions and to allow awareness of cultural beliefs. Please return the below form **no later than Friday 2 February, 2018**.
