

October 2022

Dear Parent/Caregivers,

At the P&C meeting in September 2022, there was a majority response to reinstate the P&C Levy this year. It has been several years since the levy has been applied with consideration taken to the circumstances each year - Covid, Spring Fair etc. This is a Voluntary Levy which assists the school to make vital improvements to both your child's learning experience as well as assisting the school to make necessary improvements. Funds raised this year will go towards major projects around the school as well as other general improvements around the school grounds.

The Levy will remain the same as previous years - \$30 per child, capped at \$50 per family. In paying this levy we can continue to assist the school in its endeavours to improve our children's experiences at Beaumont Hills PS.

P&C Funded projects of late include the Library refurbishment, PSSA Team shirts, Year 5 Leadership Day and 21st Anniversary Birthday Celebration.

The P&C Executive would like to thank you for your continued support. Please feel free to reach out at anytime to us on pandc.bhps@gmail.com

Kind regards

P&C Executive
