# A message from the P&C

Hello everyone, and hope our latest newsletter finds you warm and well. So, with another Election under our collective belts we can all sigh with relief and carry on.... Congratulations everyone for surviving yet another Election campaign.

We'd like to start with some thank yous -

- Mother's Day Stall who ended up with a wonderful gift or two this year? I know I certainly did! Feedback has been super positive to the range of gifts on offer this year - although more candles maybe...lol. Many thanks to the lovely ladies (and a dad!) who assisted on the day
- Federal Election BBQ big thanks to the sausage turners and sellers who assisted this past Saturday. You know who you are, it was a big effort
- Federal Election Cake Stall as always our bakers were out in force and we received lots of delicious donations. We also enlisted a few of the school's future leaders to assist with selling on the day great effort and thanks again

We know Saturday's can be hectic with sports and family activities, so we really do appreciate any time spared to assist in our community and fundraising events. It feels like Terms 1 and 2 have been chocca block full of events which certainly go a long way towards offering additional value for our community and much needed funds for our school, so we are eternally grateful to our wonderful volunteers for their enthusiasm and support. We're also grateful to the school for all of their ongoing assistance.

And while we're on the topic of fundraising, it's with great pleasure that I can advise you that at our May P&C we passed a motion to provide the school with \$30,000 towards the purchase of additional or replacement laptops and/or iPads for the school. As you might recall, we advised in a previous newsletter that our current fundraising focus is on technology, as requested by Ms Welsh and team. We'll update you in the coming months with more details on how the school has used these funds - funds you've all contributed to the raising of, so well done everyone.

### Term 2 Working Bee - Sunday 30 June (8-11am)

Given we were all a bit exhausted after the Fair in Term 1, we didn't hold our normal End of Term Working Bee so it will be back in force this Term! Held on the last Sunday prior to the end of Term, Term 2's Working Bee this year coincides with another important event - the End of the Financial Year. So if you can pull yourself away from staring at pay slips and invoices for a short while, we'd love to see you.

The P&C are still working with Ms Welsh to agree what jobs the school would like assistance with to close out the half year, but in the meantime we've created a Sign Up event so you can lock in your all important assistance. And for any new families to the school, this really is a family event. Mums, Dads and kids of all ages are welcome as there will be plenty of jobs for both young and old. Any students of the school who assist on the day will in fact receive a coveted BEAU award.

So please <u>register</u> your assistance and see you on the day! (Student's names will be collected on the day)
